February 20 - 21, 2013 | Houston | Texas

The First Ever Congress Focused On Optimizing Production Through The Eyes Of The Driller In Shale Gas & Tight Oil Plays

2 Weeks To Go - [REGISTER HERE](#)

Dear Colleague,

With less than 2 weeks to go now until the first ever US Horizontal Drilling Shale & Tight Oil Plays Congress 2013, taking place in Houston on February 20 - 21, American Business Conferences would like to remind you that this is the last opportunity for you and your colleagues to register your place here (final spaces available).

This congress will be bringing together executives and drilling experts from leading operators across the US to provide solutions to address reducing the time and costs of cleaning the hole, building the curve, staying in zone and cementing in the Bakken, Eagle Ford, Permian, Utica, Marcellus and other US Shale Plays.
